# JOSKOS AND CIRRUS PRIMARY ACADEMY TRUST: A DIGITAL TRANSFORMATION JOURNEY FOR THE FUTURE OF EDUCATION

Joskos Solutions, a multi-award winning educational technology services provider, is renowned for its expertise in transforming learning environments through innovative tech solutions. With a core value centred around enhancing educational outcomes, Joskos has established itself as a pivotal player in the educational sector.

Cirrus Primary Academy Trust, growing Multi-Academy Trust, is committed to delivering exceptional learning experiences and outcomes for its pupils.

**Faced with the challenges of integrating technology into learning in a meaningful way, Cirrus sought the expertise of Joskos to revolutionise its approach to education.**

**The primary objective was to seamlessly integrate technology into the curriculum, ensuring it was accessible, engaging, and beneficial to all students.**

Joskos was tasked with providing not just hardware, but a comprehensive digital strategy that included training, support, and a sustainable model for ongoing development.

## **Collaborative Approach**

The collaboration between Joskos and Cirrus Primary Academy Trust was characterised by a deep commitment to understanding the unique needs and aspirations of the Trust. Joskos implemented a strategy that involved regular consultations, tailored training sessions, and continuous support, ensuring that the technology was not only implemented but also embraced and effectively utilised by staff and students alike.

# EXCEPTIONAL OUTCOMES

The partnership yielded remarkable results, transforming the learning environment into a dynamic, interactive, and accessible space.

The introduction of individual devices, like the **Acer Winbooks**, empowered students with the ability to learn at their own pace, access resources readily, and develop digital literacy skills critical for the future.

This partnership exemplifies the power of effective collaboration and the pivotal role of technology in enhancing educational delivery. The journey of Joskos and Cirrus Trust underscores the importance of a tailored approach to digital transformation in education, one that is sensitive to the unique needs of a Trust and its learners.

**Joskos remains committed to forging lasting relationships with schools and Trusts, delivering bespoke solutions that not only meet but exceed expectations, ensuring that every child is equipped for the digital future ahead.**
